SUMMARY

React & Next.js Developer specializing in building high-performance, SEO-optimized, and scalable web applications.

Experienced in modern frontend architecture, responsive UI development, REST API integration, and PWA development.

Strong focus on clean code, performance optimization, and real-world production deployments using modern tools like Next.js, TypeScript, Tailwind CSS, and Vercel.

EDUCATION

Bachelor of Computer Application (BCA)

Kadi University, Gandhinagar
2022 – 2025

Master of Computer Application (MCA) (Pursuing)

LDRP Institute of Technology & Research,
Gandhinagar
2025 – 2027

SKILLS

- Frontend:** HTML, CSS, JavaScript, TypeScript
- Frameworks & Libraries:** React.js, Next.js, Redux Toolkit
- Backend:** Node.js, Express.js
- Databases:** MongoDB, MySQL
- UI & Styling:** Tailwind, Material UI, Bootstrap
- Tools:** Git, GitHub, Vercel

CERTIFICATIONS

- MERN Stack Web Development – Apna College (4.5-Month Intensive Online Program)

PROJECT

AlgoTraderGT Partner Portal (PWA)

<https://partners.algotradergt.com>

- Developed a production-ready Partner Portal PWA using Next.js and TypeScript, ensuring fast load times and scalability.
- Built responsive dashboards and reusable UI components using Tailwind CSS and Material UI, improving UI consistency and development speed.
- Integrated secure REST APIs for authentication, partner management, and dynamic content handling.
- Implemented PWA features including offline support and installability for improved user engagement.
- Applied SEO optimization and server-side rendering (SSR) to enhance search visibility and performance.
- Deployed and maintained the application on Vercel, following best practices for production deployments.

EXPERIENCE

Software Engineer Intern – QSpiders, Ahmedabad | Feb 2025 – Jul 2025

Worked on SQL, Python, and web projects, contributing to development tasks. Improved problem-solving, teamwork, and communication skills.
